

# DA 10/8 6PT RE VR

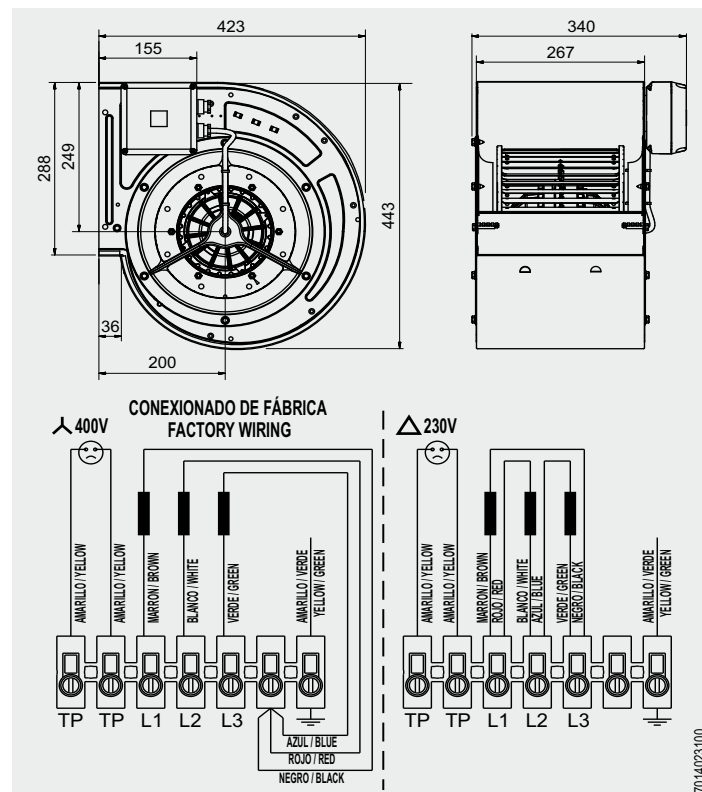

## 245W IP55

### Características Characteristics

|                                                                       |                                        |
|-----------------------------------------------------------------------|----------------------------------------|
| <b>Tensión</b><br><b>Voltage</b>                                      | 3 ~ 230/400V 50Hz<br>3 ~ 254/440V 60Hz |
| <b>Tipo motor</b><br><b>Motor type</b>                                | 1V IP55 cl.F<br>1S                     |
| <b>Velocidad</b><br><b>Speed</b>                                      | 6 polos<br>6 poles                     |
| <b>Potencia motor</b><br><b>Motor power</b>                           | 245 W                                  |
| <b>Intensidad absorbida máxima</b><br><b>Maximum absorbed current</b> | 1,1 A                                  |
| <b>Condensador</b><br><b>Capacitor</b>                                |                                        |
| <b>Temperatura del aire</b><br><b>Air temperature</b>                 | -20°C < T < +40°C                      |
| <b>Peso</b><br><b>Weight</b>                                          | 14,9 kg                                |
| <b>Código ventilador</b><br><b>Fan code number</b>                    | -----<br>----- (MP)                    |
| <b>Código motor</b><br><b>Motor code number</b>                       | 9096000301                             |
